

Jefferson Booster Club

Please consider joining Jefferson's Athletic Booster Club. The Booster Club has given over 2 million dollars to athletics over the life of the club. Additionally, they contribute a minimum of \$65,000 each year and this past year they donated a staggering \$80,000. That money is used to meet regular budget items as well as many major projects that benefit Jefferson Student/Athletes. It is interesting to note that athletic programs receive no State or District funding beyond coach salaries and partial coverage for transportation. Zero tax dollars are used in support of the athletic program. All revenues are obtained through Booster Club fundraising, private donations, entry fees, and gate receipts. Thus, your financial support is critical to the success of our Athletic program.

The Booster Club has one major project - they man the concession stands at all of our events including all events at Kingston Stadium and they **NEED YOUR HELP**. Please consider volunteering your time in the stands. **Please note that 25 hours of service in the concession stands gives the individual a season pass to athletics.**

Family Pass – For a \$200 donation to the booster club, you will receive 2015-16 family passes to all home Jefferson athletic events excluding Soph/Varsity football at Kingston. In addition you will receive 2 – six punch passes for Soph/Varsity football at Kingston. Jefferson hosts over 90 events each year, and for a family of four this package would be worth over \$1,000.

We would also like to introduce the new **Add Grandparents** option for **J-Hawk Blue** level memberships. See details below.

Thank you,
Chris Deam, Activities Director
