

Booster Club Minutes June 6, 2011

The meeting was called to order at 7:03. Seven members were present.

Deb Winter read the minutes. Bob Hackney motioned to accept the minutes as read, Mike Kadlec seconded. Motion carried.

Bob Hackney gave the Treasurer's report. Not much income this month, but hopefully there will be a track deposit coming. The booster club tax return was done and has been filed electronically. Mike Kadlec motioned to accept the Treasurer's report, Cyndy Hilby seconded. Motion carried.

Coach Womochil spoke about the happenings with the football team this summer. The teams have been working hard, going to camps and have done really well this year. There are lots of good kids coming into the program and a good group in incoming seniors to provide leadership to the team. This coming fall, the team has the same schedule as last year, but will play better this year! There is new football staff for this coming year, and are very excited they have the new Science teacher (a graduate of Coe College and was the Coe football team center) help this year. Coach thanked the booster club for all the support the team has received...it is very much appreciated. The Blue cards are ready and will start selling in July. The pre-season scrimmage is scheduled for August 19, but will see if it can be moved to the 18th. The concession stand could be up and running for the freshmen games at Lower Kingston but the booster club cannot man it, but we would be happy to help and get people trained. Perhaps there are some parents of the older kids who would be willing to help out during those games. The last thing mentioned was the class on Leadership training that is going on. There are about 20 kids who meet once a week for 5 weeks for about an hour. There are all kinds of activities, trust games and hopefully some speakers to help with this. It is a great thing for the kids and they are getting a lot out of it.

Mr. Kibby shared several things with us tonight. The football season kicks off on August 25th with the first game against Linn-Mar. September 8th will be Hall of Fame night when Mike Humphries will be honored. That game is against Waterloo East. This year the district would like all booster club family memberships to be the same and since the NFL is still having issues, the Benchwarmers raffle is on hold. So the Booster Club mailing will be a little different this year.

Mark shared that we received a donation from the Earl Barber Memorial fund. There will be a tile on the wall in his name for that donation. Scott Kibby will contact Mrs. Barber for the details.

Kingston stand 2 will be closing up for the summer now. Any product left will be moved to either softball or baseball. Concession stand will open for the alumni games on July 9th and also for Monday night basketball and the Cheerleading camp on June 30 and July 1st. Mark and Mr. Kibby will get together to take care of the necessary sales tax on the raffle payments. The electrical updates have all been completed at Kingston.

There was some discussion about making a donation to softball and baseball, but further discussion was tabled until the track deposit was made.

Cyndy Hilby attended the meeting tonight, so Mark personally thanked once again her for all of her years of service to the Booster Club.

The Price setting meeting will be Tuesday, July 12th at 6:00 followed by the monthly meeting at 7:00.

Bob Hackney motioned to adjourn. Mike Kadlec seconded. Motion carried. The meeting was adjourned at 7:58.

Respectfully submitted,

Deb Winter
Secretary
