

# Jefferson Parking Permit Application

Permits are valid between 6:30am-3:15pm

Jefferson High School has just under 400 parking spots available for students. We typically have 600 requests for parking permits. Students in grades 10 – 12 are eligible to receive a parking permit (NO FRESHMAN are eligible until after Thanksgiving). **Having a parking permit does not assure a parking spot.**

First come is first served. There

are 116 reserved spots available per year for students that meet the requirements for reserved **PREFERRED** parking (see below). Spots are also reserved as **STAFF** and parking in a reserved spot will result in a ticket and you may be asked to move your vehicle. There is parking available on the east side of the school on the street if all spots are full.

**Fill out the form online & on the back side. Bring the form with ALL items on Checklist, to the main office.** All tags are issued based on criteria of student standing, attendance and parking category (GENERAL or PREFERRED). Tag must be hanging from the rearview mirror as to be seen through windshield clearly.

**PREFERRED** Parking is a continued option for students. The previous staff lot directly off of the 20<sup>th</sup> street entrance and the tennis lot are now ONLY for PREFERRED parking. These spots will be offered based on a timed tier system and a cost of \$25 instead of the basic \$10 parking fee...SEE SCHEDULE BELOW!  
**PREFERRED permit holders are guaranteed a spot as only 116 are sold!**

## Tier 1

Students that are enrolled in Iowa BIG, Kirkwood Academy Courses, Elementary Tutoring, and Building & Trades will have **first chance** at securing a PREFERRED tag.

**OPENS: 08-05**

Any spots remaining of the 116 PREFERRED spots will be open to a first come, first serve system and have the **final chance** to secure a PREFERRED tag.

**OPENS: 08-19**

## What if I have a 2018-2019 Tag?

**Scenario 1.** Keep the parking tag you have and purchase the new sticker for 2019-2020 after Aug. 5

**MUST BRING TAG WITH YOU TO GET RENEWAL STICKER!**

**Scenario 2.** I want to change my parking preference next year. Turn in your current tag and purchase new one with updated sticker after Aug. 5.

\*\*\*If you have already filled out the online registration you do not need to do it again! (Unless you have changes)
