

# **Booster Club Minutes September 12, 2011**

The meeting was called to order at 6:05. 7 members were present.

Deb Winter read the minutes. Rick Pike motioned to accept the minutes as read, Mike Kadlec seconded. Motion carried..

Bob Hackney was not at the meeting to formally present the Treasurer's report. A couple of volleyball and football deposits were made this month. Mike Kadlec motioned to accept the Treasurer's report, Rick Pike seconded. Motion carried.

Mr. Kibby will be giving Bob the booster club membership money this week. The Benchwarmers tickets sales are up from last year, and there could still be some additional tickets sold. The tile for Mr. Barber is now done. There is a meeting on Thursday of this week to discuss the future of football as district football rather than conference football. This could be kind of a scary thing for our schools, so we'll have to see what comes out of the meeting.

Mark shared a thank you note from Deb Winter for flowers during recent hospital stay, and also an email received from Erin Seely about a booster club golf outing. She is very interested in putting the event together at the WildCat Golf Course if we want. We'll let her run with it and see how well it goes over.

The Volleyball concession stand is up and running...Amy Smith, the Assistant Varsity coach, has been managing it with help from Mark to get things set up and the money ready. If you need t-shirts or sweatshirts for any of your workers, let Mark know. The special winter events are starting to get lined up at Kingston. One thing we may want to consider is putting up a sign for no outside food brought in. That seems to be happening quite a bit with some of the events.

The new popcorn machine is up and running great in stand #2.

The Homecoming dance is Saturday, September 24<sup>th</sup>. Mark and Mike will be there to run it and if anyone else can help, that would be great. Mark Van Buren presented a pricing difference report for Sam's Club versus Farner-Bocken. One of the nice things about Farner-Bocken is the convenience of having the stuff delivered. If you are at Sams' though and need something for your stand, it is perfectly fine to get what you need there.

Mark will get a little more information about the Bob Brooks Scholarship fund...the booster club is willing to make the \$250 donation as long as it's a one time thing.

There are three marching band events coming to Kingston: Saturday, October 1<sup>st</sup> is the Five Seasons Invitational, Saturday, October 8<sup>th</sup> is the State Marching Band competition and Monday, October 10<sup>th</sup>, is the “Indoor” Marching Band Classic.

The next booster club meeting will be October 3rd, at 7:00.

Sue Hennick motioned to adjourn. Rick Pike seconded. Motion carried. The meeting was adjourned at 6:45.

Respectfully submitted,

Deb Winter  
Secretary
