## **Coaches Comments**

Wrestling, Matt Orton-this is the second year that the team has had 50+ athletes on the roster. There are six returning state qualifiers and seven that are ranked top in the state. This year's team has a good group of kids with five returning seniors. The team did a jog-a-thon that raised \$3500 for the team. The money is used to support the poster and help pay for new uniforms. The wrestling room has been updated, now has geo-thermal. Thursday is the first meet, a double dual meet. There are five home meets this year.

Women's & Men's Swimming, Ryan York-The woman had a successful season. They missed having a state qualifier by just 400<sup>th</sup> of a second. The women won four meets this year. Both the women's and men's teams are combined teams with Prairie athletes. The men's team is pretty young; they have six returning state qualifiers. The men's team is looking to break some records this year; they even have their sight set on a record held by Coach York. The J Hawk Relays are Saturday, December 6.

Football, Brian Webb-The team had a lot of accomplishments with a few disappointing losses this year. There were lots of firsts with the win against Kennedy, first metro team win, first All-State player, Dalton Kuehl. The team will lose a lot of kids next year and the sophomore team is small so the 2015 team will be a small team.

## **Activities Director**

Amanda Ollinger received All-State 1<sup>st</sup> team for Volleyball.

The winter season is going strong. Girls BKB is 1-1. Bowling started last week.

Mr. Deam was able to attend the parent meeting for boy's BKB. Jim Miller attended the parent meeting for girl's BKB. Mr. Deam hopes to stop in after the boy's swim meet on Tuesday during the team meal.
