

# **Booster Club Minutes February 3, 2014**

The meeting was called to order at 7:00, 6 members and 2 coaches were present. One additional person arrived during the course of the meeting.

## **Minutes**

Sue Hennick motioned the minutes of the September meeting be approved as submitted. Marc VanBuren seconded. Motion carried.

## **Treasurer's Report**

Jim Miller reviewed the Treasurer's report. Mike Kadlec motioned to accept the treasurer's report. Lisa Stodola seconded. Motion carried.

## **Coaches Comments**

Men's Track-Coach Ron Tower. Track starts in two weeks. The coaches have been using a Rocket Runner and working with some kids that want extra practice. Coach Tower said he was the JHawk basketball game when the booster club presented the check to Mr. Deam and he watched the Iowa City crowd and thought their reaction was great.

Women's Track-Coach Bill Calloway. Coach Calloway stated that our booster club provides the team with some great equipment. The women's track team set some records last year including an all time high state record in the 4X200. The coaches are looking for two things from the athletes, 1-to be good kids who are good citizens, 2-good kids that work hard. He's excited about the group of kids coming in for the program this year.

Both coaches thanked the booster club for all they do. "Jefferson Booster Club is the best."

## **Concession Stand**

Hours reported for January were 556 hours, with 19 events.

Jim Miller talked about the JHawk Wrestling Invitational. In 2013, we brought in \$3100, in 2012 \$2250. The Bad Boys tournament brought in \$1200 in 2013 and \$682 in 2013. Initially it was thought that Hegarty was down about 43%, but after discussion, it's possible some of the deposits got crossed in the past with these various meets so these numbers aren't true reflections.

## **Old Business**

Timberline Chili Update, Mark got the product number of what we used to get. He contacted US Foods, Martin Brothers, and Reinhart, none of these vendors have the product. We could order the same product from Heinz at \$100.85/case plus shipping, which due to weight is \$71. Mark went to Sam's Club and purchased a similar product there called Stagg. They sampled a can at the Saturday night basketball game with no issues. This product is available locally, it won't take up freezer space since it's canned and it sells for \$7.84 for a 108 oz can. With the approx 7-8oz portions we serve, there are about 13 servings per can, so we'd make

\$26.00 per can minus the \$7.84 cost. Marc will check with Farner Bocken to see if they carry this product. If not, we will begin purchasing the product at Sam's Club.

Sue inquired about Mac 'n Cheese for the spring, it was a popular item. Mark will email his contact to see if it's available. Mark will also see if he can get a product number for Marc so he can check with Farner Bocken.

### **Correspondence to Share**

None this month

### **Activities Director**

The national conference update from Mr. Deam was pushed to the February meeting.

Assignments were given to Jefferson for district football match ups, but no schedules at this time, they will be built and sent to the teams. Jefferson is district 5. There are six teams in our district, Jefferson, LinnMar, Kennedy, Waterloo East, Waterloo West, and Cedar Falls. Five non district teams for our wishlist have been submitted by Mr. Deam. (I have not listed them at this time, but can update if necessary due to nothing finalized at this time.) The schedule for the games is expected to be released approximately one week after state wrestling. The season will remain a nine game schedule with the first four games being non conference games. The top four teams from every district will be in the playoffs. Districts will change every two years, but the two years will have the same schedule with the home team rotating the next year. The only predetermined pairings for playoffs are the first round. Additional rounds will be paired following the games. There is a meeting coming up soon to discuss freshman football.

Homecoming won't be scheduled until Mr. Deam receives the game schedule.

District wrestling is Feb 15 with 8 teams.

Girl's basketball has their first round playoff game scheduled for Feb 19 against Iowa City West. All of the playoff games Jefferson is eligible for will be on the road. The boy's basketball pairing hasn't been released yet.

The activities office is moving to the Performing Arts Wing after February 15.

Mr. Deam has a meeting on Thursday to discuss some Jefferson apparel. They hope to create an online form.

There are two college signings on Wednesday, 2/5/2014, Layne Sullivan to play football at Wayne State and Spencer Hunt to play baseball at NIACC.

### **New Business**

Farner Bocken product event is April 11-12. Let Mark know if you want to go.

Larry McKinnon will once again take pictures at our booster club Hall of Fame night. Sue Hennick made a motion to provide a \$100 honorarium to Larry. Mike Kadlec seconded. Motion passed.

Mark received a request from the choral parents for the booster club to donate popcorn, oil, seasonings, and popcorn bags for the March 14 show choir event. We agreed to honor this request.

No word from Erin Seeley, we tabled the discussion of the 2014 Golf Outing.

Friday's doubleheader basketball game looks to be jam packed. The JV poms will perform at halftime of the Varsity girl's game. Between games will be the booster club Hall of Fame presentation and a presentation regarding Cole Johansen, a former JHawk coach currently ill with terminal cancer. Half time of the Varsity boy's game the Jr. Poms will perform and then there will be a presentation for Kellen Sweeney since he's being inducted into the Jefferson baseball hall of fame.

Hall of Fame, Mr. Deam would like to create a Jefferson Athletic Hall of Fame similar to LinnMar. He will start looking into this and providing updates as available.

### **Upcoming Events**

February 15-District wrestling, hosted by Jefferson.

February 22-Special Olympics basketball 9am-4pm

March 1 & 2-Junior J-Hawk Girls BB Tournament

The next booster club meeting will be Monday, March 3 @ 7:00 pm.

### **Adjournment**

Rick Pike made a motion to adjourn. Sue Hennick seconded. Motion carried. The meeting was adjourned at 8:05 pm.

Respectfully Submitted,  
Lisa Stodola  
Secretary
