Coaches Comments

Women's Softball-Coach Erbe. "We appreciate you, thank you!" He stated that softball always gets compliment on our facility and our booster club. Tuesday, June 3, the team will host a doubleheader with Prairie. The pep band will be there playing the National Anthem and the game will be broadcast on KCRG 9.2. Thursday June 5 will be another big night with the Future J-Hawk's. This game is against Cedar Falls. Alyssa Olson was selected as Metro Athlete of the Week.

Activities Director

The spring sports are finally winding down and summer sports are in progress. Baseball got off to a good start, 2nd place in the metro tournament and softball is looking good.

Chris received an email regarding the Ford Drive for Your School program, there is a new contact. The email states Jefferson can do this fundraiser anytime, so Chris is trying to determine a date. He's currently looking at Friday, June 13 when there will be a big softball tournament going on.

The district will pay funds towards the weight room floor to put the same material back in, but Chris and Coach Orton would like some better flooring, so that is still being investigated.

Chris is brainstorming with Coach Orton on having a Crossfit Games similar to what you see on TV. It's still in the early stages, but maybe this fall.

Both track teams had a great season. The girls placed 4th in the state, the highest metro team placement ever.

The new gyms should be done June 13 with camps starting on June 16. The locker rooms are still behind.

Correspondence to Share

Mark sent an email to the coaching staff that per their required coverage, there are 92 spots that still need to be filled in order for each team to meet their specific requirement. However, there are only 84 open spots still available on the sign up posting.

Concession Stand

Hours reported for May were 857.25 hours, with 27 events.

Old Business

The roof on Kingston stand two has been repaired. The district came out and put a new cap on. They have not rehung the gutters yet, but the building is now water tight.

Mike picked up our order of mac & cheese and chili. The mac & cheese is different from last year, but Mark thought it was good.

Washington provided a reimbursement check of \$300 for track concessions.

The Iowa City semi-pro football is finished.

New Business

Summer schedules are now available. Some will be available at the softball concession stand.

The club received another \$750 donation from the Verizon Foundation on behalf of Letha Usher's hours.

Mark presented some signs that were posted at Drake about items that are allowed in the stadium and those not allowed. The club agreed it was a good idea for Kingston and Jefferson for the sporting events. Mark will pursue it with Matt Dunbar.

We were asked if we would like to open the concession stand for the cheerleading camp. We declined at this time.

We will once again take an officer picture on Monday, August 11 at approximately 7:45am.
