Chris is going to assign teams to work the concession stands for some of the larger events.

Chris would like to have an Officers meeting with all the new officers. Chris and Jim Miller will work on a date to hold this meeting and let the officers know.

Chris was at a meeting last week with other coaches and AD's from the conference and was given compliments and heard very good comments about the girls' soccer program at Jefferson.

Girls track placed 5th at state.

Chris met with Rob Kleinsmith, Buildings & Grounds Manager for the district, about helping finically with re-sodding the soccer boxes. Rob agreed that the district will help. Chris also showed him the baseball field and the issue with the water standing.

The baseball field had two light poles that didn't work and now they are working.

One of the boxes on a light pole at the softball field started smoking and melting. This is now fixed.
