

Booster Club Minutes March 5, 2012

The meeting was called to order at 7:03. 14 members were present.

Deb Winter read the minutes. Mike Kadlec motioned to accept the minutes as read, Sue Hennick seconded. Motion carried.

Bob Hackney presented the Treasurer's report. Our year ends on March 31, Mr. Kibby's ends June 30th, so we could present another \$40,000 to Mr. Kibby. Bob Hackney motioned to donate another \$40,000, Mike Kadlec seconded. Motion carried. That presentation will be done at the J-Hawk Relays Track meet in April. There is one more basketball deposit to make for this year. Mike Kadlec motioned to accept the Treasurer's report, Rick Pike seconded.

Coach Ordman, in his 15th year as coach, talked about the great job his team did this year. They did a great job against Cedar Falls. It's a very unselfish team...always helping each other out. They were an 18 point underdog at Cedar Falls...we can compete with the best of them! Next is Ankeny, where we are 38 point underdogs, so we'll see what happens. He thanked the booster club once again for all of the support and then was off to practice!

Mr. Kibby reported not much new going on...in between seasons at the moment. The DECA Slam Dunk will not be happening this year. The new football coach should be hired soon. Just so we all know that the Booster club does make a difference, Mr. Kibby said that with some of the money he gets, all of the kids on the team who make the trip to the State Championship game gets a plaque with their photo, a commemorative basketball and a nice team meal. He also got chartered buses so the kids can go to the game.

The Indoor season is over and the stand is all cleaned out and ready for the Jefferson Show Choir Invitational. The refrigerator has been fixed...it was a broken seal, we are waiting for the bill.

Hall of Fame night went very well. The inductees are always a good group of people...very nice to talk with them all. The photos are done and Larry has been reserved for next year already! Applebee's Night brought in \$189, but did not have a winner this time, but the participants all got gift cards. Pancheros Night was a success and brought in about \$180 and they would like to do it again next year. The Special Olympics was a very busy, hectic, long but enjoyable two day event. There was plenty of help for the weekend and it was very successful. Not all the money has been counted for Sunday, but Mark estimates about \$1300 on Saturday and \$1000 on Sunday. Jake Koolbeck did an awesome job with coordinating the Jr J-Hawk basketball event. Everything was on time or ahead of schedule and our head engineer Dave and the custodial staff did a fantastic job of keeping up with everything. Their efforts were, and are, greatly appreciated.

Steve Carter billed the Booster club for the product used at the Band Carnival, and even though we were not specifically asked, we will go ahead and pay the bill. Scott Staton has resigned as manager of stand #3, but Cyndy Staton will continue and has enlisted the help

of Krista King. The Farner Bocken show is April 13 and 14 at the Des Moines Fairgrounds so let Mark know if you want to go. The Kingston Spring schedule is pretty packed. There is a lot going on March 24th kicks off the season. Nominations for next year's officers should be submitted to Mark. All offices are open for nominations...President, Vice President, Treasurer and Secretary. The nominations will be presented at the April meeting, elections will be held at the May meeting.

The next booster club meeting will be April 2nd, at 7:00.

Mike Kadlec motioned to adjourn. Sue Hennick seconded. Motion carried. The meeting was adjourned at 7:50.

Respectfully submitted,

Deb Winter
Secretary
