

Booster Club Minutes October 6, 2014

The meeting was called to order at 7:01 with 9 members present, plus two guests.

The meeting started with a presentation by Dan Fuller and Mandy Yanna from Johnson Ave Hy-Vee. JHS has been a great partner in the past with Hy-Vee and they'd like to continue to work with our booster club. They offer some similar products as well as new products that can be sold in our concession stand, such as pizza and subs. They can lease to us a pizza oven so we could cook our own pizza, which is generally ready in 3-4 minutes. They provided a credit application for us to review.

Minutes

Mike Kadlec motioned the minutes of the May meeting be approved. Sue Hennick seconded. Motion carried.

Treasurer's Report

The September treasurer's report was reviewed. Income is up about 7% from last year, expense is up 17% as compared to last year. This equals a profit loss of about 1%. Rick Pike motioned the report be approved. Lisa Stodola seconded. Motion carried.

Coaches Comments

VB Coach, Mary Kay Van Oort, the volleyball team had a pretty successful weekend, but lost two heartbreaking games. The record for the season to date is 10-15. This year's team has a lot of young players. The state pairings have been released, Jefferson has a bye the first round and plays Marshalltown the second round. Coach Van Oort noted that Bonnie Ollinger has done a great job as concession stand manager.

Activities Director

Mr. Deam reviewed his financial report.

Amanda Ollinger, a junior, has committed to play basketball at the University of Iowa.

There is a volleyball tournament this weekend with 24 teams. Washington will host two pools. Over half of the field is ranked in their class. Eight teams will make it to the final bracket. The Homecoming dance starts at 8pm, and the final bracket starts at 5:30, both in old gym, so it will be a tight turnaround.

On November 4th, Jefferson could host a volleyball game even if Jefferson is eliminated. For districts, the top 4 make the playoffs.

The wrestling team is going to the 'The Clash' in Minnesota, this is a dual tournament.

Open gym has started for men's basketball, open gym for women's will start next week.

Mr. Deam discussed the storm damage to the softball/baseball fields from earlier this year. There is still quite a bit that is up in the air at this time as the district waits to hear from the insurance company.
