

School Supply Donation Drive

Jefferson PTSA is organizing a school supply drive. Jefferson High School does not require or have a school supply list but every year teachers and staff are purchasing basic supplies for their classrooms out of their own pockets.

So the next time you are at the store think about picking up a few extra supplies and donate them to JHS.

Supply suggestions:

- Kleenex
- Disinfectant wipes
- Hand sanitizer
- Dry erase markers (black and colored)
- Pens
- Pencils
- ...etc.

Monetary donations are always welcome and will be used to purchase necessary supplies.

Supplies can be dropped off anytime at the main office or during open house night.

If you want to find more ways to help out at Jefferson High School please contact us at:
